Meeting Survey

The Board of Directors is discussing holding our general meetings in halls (senior centers, fire halls, etc.) instead of in restaurants and having a light lunch, pizza, or sandwiches, and lowering the cost per person. We are taking this survey to get your input into making this discussion. Virtual meetings will still be available. We have also discussed holding meetings in the following months, February, April, June, September, and the November meeting in Atlantic City.

If we change venues to halls and cut down on the number of meetings and lower the cost, are you more likely to attend live meetings?

Please respond to the following questions:

- (1) Holding meetings in halls and lowering the cost.
- (2) Holding meetings only 5 times per year.
- (3) Would you attend more live meetings.

Please only respond once.
